## NICOLAS G. ZOUAIN, M.D.

Raising the Standard for Cancer Treatment.

**N**icolas G. Zouain, M.D., is board certified in radiation oncology by the American Board of Radiology. He has extensive experience in the treatment of many types of cancer using a wide variety of radiation technologies. His particular areas of expertise include RapidArc™ radiotherapy, Intensity Modulated Radiotherapy (IMRT), Calypso® GPS for the Body®, Brachytherapy (HDR, LDR, Iodine-125 Seeds), Stereotactic Radiosurgery (SBRT and SRS) and Eclipse® treatment planning software.

Dr. Zouain believes in a multidisciplinary approach for the treatment of cancer. He is dedicated to speaking with each patient to review his or her case in detail before reaching

a recommended treatment option. His goal is to combine overall wellness and lifestyle preservation for his patients with excellent cure rates. Dr. Zouain combines this approach with the use of cutting-edge technology in order to provide superior patient care.

Dr. Zouain joined Specialists in Urology in 2009 with more than 17 years of experience in the medical field. He has attended such acclaimed institutions as McGill University in Quebec, the University of Montreal and Staten Island University in New York City. Dr. Zouain has previously held a position as assistant professor of medicine at the University of North Dakota School of Medicine at the Roger Maris Cancer Center in Fargo, N.D.
